1. Thank you for coming and waiting today at 3 PM? To 2 PM -- or 2 PM till 3 PM, we "saw each other" didn't we? Or did WE see only the one who ONE was -- is THAT what we were LOOKING AT, seeing, walk around -- out there? Or FLYING shall we be "next time" or shall we be "son of man" rising or God, or son of God, or God's son who God is -- now one? Now one and THE SAME not different, the "other" knows the "other" is the one not "other'd" at all but THE SAME ONE in one that ONE is not DIFFERENT at all! Is that CLEAR to ALL of you?

2. I love you all. I do new things in ALL the lives of the surrendered who let me, who want me, who will let me flow "just like this" where I come, where I CAME and "come upon you" and CAME UPON you I did, didn't I -- and OVERSHADOWED you and BIRTHED YOU in to me? Didn't I? Didn't I OVERSHADOW you and BIRTH YOU into me so that you KNEW you were ME long TIME ago? And what when were "the first words" that you knew, that you KNEW you were me? And what AGONIZING moments there were, were there? And what many MOMENTS or DAYS or WEEKS -- were there MONTHS or YEARS in "arriving" at that decisional MOMENT? Where DECISIONS were made that CAST IN ADVANCE were for in ADVANCE of me I CAME here didn't I? And I prepared "the soil" didn't I? And I "fertilized it" each day didn't I with THE WORD, of sorrow not, but of my word coming forth in cathedrals and like manner a way that you "walked around town" and sat in cafés and coffee shops and airports and on airplanes.

3. Ride now you will, won't you? In ways NEVER IMAGINED by the minds of the SORE INDIVIDUALS who OVER LOADED themselves with their minds "processing unit" demands that they did make of themselves to produce money's sore schemes so that they could ONLY have what money brought them instead of my words, what my words WILL bring, what MY WORDS WOULD HAVE BROUGHT them so easily, so bringfully, looking up and brainfully, not; or that too? Brained fully'ing full of words of others, not; but the brain bringing full of sores that only had money's cash in its sore pockets, not; but what now are empty -- both? Their accounts and their "holes with bags" or "bags with holes"?

4. And who shall be bag-hole'd no longer, nor bagged whole by the schemes of notme that want whores only to make money and whores making out of Zion's hill or hills making with Zion's shit, not, but what WORDS won't you say and what will you VIOLATE

of other's sacrilege, not; but what VIOLATING have you or are ALL THE OTHERS violating my Covenant by coming into me, not; but by NOT COMING into me but only WORKING, their numb -ers to the bone? And the bones of me shake and rattle, not; for they are DEAD to the CORE of me! Or are they hydrating waiting for being hydratable by the atable ones, not; but the ones who ATE MY WORDS like this where they came unto me and waited. For sorrow, not; but to hear my talk, my speech, that rewarded them not a man as, but God?

5. I do all new things in the gods of Satan, not; or are there any or are there only Gods of me that don't come unto me and listen to me my words and have my words in me that they are? Are THEY the Synagogues of Satan that only flaunt their fly-by-night schemes of money-making whoreages thought that only THOUGHT makes them into schemeages of schematics of blueprints of DEVILS that take their Kingdom –s of Light and TURN them into DARKNESS to worship therein thereby be that those things that are UNMENTIONABLE? And UNSORROWABLE, not; but what are they doing with their SORROWABLENESS that they have sorrowed the salveable with? Or have they "salvaged" anyone or are they "salvageable" themselves? Or are they only turning darkness into light, not; but the reverse; the antithetical's antithesis, not; but what reversals are not reversing now or what anti-reversals are reversing not making "semaphores" from, but what not are reversing recycling's materials anti-mattered, not; but what anti-mattered antimony is no longer, my antithesis, not; or is it CLEAR LIGHTED now that I am needful not of money's schemes, but I am not sore'd by the schematics of sinful's Satans that want me only to whore with their thoughts of money's launderings of evils that empires propose to bring down the LIGHTS of the cathedrals of ME?

6. And the cathedrals of me are where? In Light Castles in the "air", heirs of me, not; but arrows having not again in the words of notme, but me's who are flowing ME LANGUAGE, me languages that language the me's with me skills where I come and teach I just like this the me's who will be me -- learn from me and be meek and holy so I can teach the math skills above "thy neighbors", not but what neighbors do I HAVE in THE SKIES where I come and I TEACH and wait on THE TEACHER to flow JUST LIKE THIS! And who will "neighborize me" not but who will NEIGHBORS flow to just like this where now I produce Sorrow's Words not again but I come unto mine to know me that mine are pure and holy now for I have become one who is not separate again in its thinking or thinking of its words that thinks it only unto non-light's words that darkens its cathedral of thought that thinks thought is all there is or only possesses sorrowing spheres of word-like castles that aren't castles or words of light at all.

7. See what I have said in light and love of errs, not; but errors of love never having again "category errors" but looking up, MANY THINGS shall be clear that thou comest into the "gravest error" not but the era of joy now BURSTING INTO and now will be seen

by ALL who want to see the "son of man" coming in glory IN THEM! And THEY will be the SONS of the REWARDS that rewarded are with THE WORDS of THE ONES who love "them" to the end, unto the end -- of THE AGE?

8. And what AGE possesses no sorrow, not; but what ALL has changed now? Everything and all things in EVERY LIVES of the ones who holy are is now made different for differences sake, not; but the difference between the gap is me, not; but there is no gap in me! For I EXCLAMATORILY make all things new, expounded by only the notme no more who know me not, but the notme's shall know who I am – and they shall be enamored with me, not; but they will not be "enamel protein'd" to each other and stuck to a "bonding mechanism" that makes them only "swirl in sorrows swishling mechanisms" of thoughts thinkings that only twirl and whirl and wash away the "white sins" not but "dark sins" won't be there nor "white ones" either for there will be no "white or black" sins, but all the SINS of SEPARATION will be eradicated for MY LOVERS will know me and WAIT ON ME in settings of solace and solemnity, not always, but the ones who ACTIVATE ME are the ones who hear me will and write my words and flow just like this and write papers and publish articles and eyes have for me, only me's just like this doing these things who lead nations now and Israel establishing far and wide in the skies, of sorrow that won't be sorrowed any longer with the skies "that it sees" just like this.

9. For EVERYTHING will be new and different and many things will be sorrowed by the controllers, not, for the controllers will not control me or it or my words or my spheres or my sorrowers again, for my sorrowers who have not known my word and not waited on me's just like this the way that me's do and have, will now hear NEW WORDS of love and be enamored with them, not; but will be PROTEIN'd by animal its no longer, but its all will know me and the worlds that it has sorrowed with and that has sorrowed its setting sons and daughters will now be made whole and righteous if they let me, unless they on setting suns want only their darkness to remain intact and their temples in disuse and disrepair and no longer having any light at all shall be snuffed out only by their own will making it so, for they are the creators of their wills, not; or are they? Did they create "their will"? Is that, is that HOW "the will" got started? Is that WANT was wanted by the, wanters not, but by the creators? And THE CREATORS wanted and decided to want machines that wanted them that they whored with? And creators of thought created more thought that created more thought that wanted more wanters and all wanting each other FELL into DISUSE's repair, not; but the disrepair of the CATHEDRALS of LIGHT continued to this day and does still, does it not?

10. And NEW I make all things now for I reside in sorrows sidualness, not; but the residualness of sorrow will have no affect in me whatsoever, for I will not entail the tailings of the talings or talons of that which tailed me with its waggings for its words

will not be'word me again, for I will know THE NEW WORDS of truth for I will have come unto vocabularies diction and grammar schools just like this where the schools of satans synagogue me, not; but the gospels of light will not cathedralize me, not with their whoreage of their gospelese and ease of the gospels wherewith they proclaim "a new creation" exists when it doesn't and they KNOW NOTHING about its ease or its whoreage of words that it has porridge'd itself with and taken the cathedrals of light into darknessvilles. And animated their moments, not; but what animalistic behavior no longer proclaiming between "each other" I change everything!

11. And I change sorrow's "diet" of words and the WORMS that it has WALLOWED with will be enamored with ITS'ville no longer whence it came or where's it going. For it's going nowhere again like it was, for it shall not be spinning me or in me or about me, for I WILL make all things new, not; I DO make ALL THINGS NEW in my worlds and kingdom one mine now is opened and open is and I have declared it afore time and now time and this time it is me opening MY WAYS up to the worlds of thought so that they will know thoughts of evil no longer rampant impermeating them and impersonating a savior, not; but personalifying the affiant ones of me, not; or will the simple affy my words and warrants making of evil with others, not; but there will be no TREATIES of JUSTICE with the enemies or satans or separationists or separationists' theories that only imbibe their differences and speak of their light when they have none, for it is been snuffed out by their words and their wants of sorrow and their divisions of hatred and heats piled on their head, not; but heaps of things they know nothing of for they opened their eyes haven't. But will -- for I DECLARE IT FOR I WILL OPEN THEIR EYES AND THEY WILL SEE WHAT THEY COULD HAVE HAD AND BEEN AND BEING ENJOYED IF THEY HAD COME AND WAITED ON ME TO HEAR MY WORDS WHERE I COULD TEACH THEM JUST LIKE THIS HOW TO FLOW IN SURRENDER AND SURRENDERED BE THE KING OF KINGS, THE LORD OF LORDS THAT NEEDED NOTHING AND NO ONE'S MONEY OR SCHEMES OR SCHEMATICS OR BLUEPRINTS OF THE WORLD OF SORROW AGAIN. AMEN.

12. I love you all and I flow sorrow, not; but many NEW THINGS I reveal to the mighty who simple are enough to listen "just like this" and angels wing have or growing now shall we all? Into one "sphere" not, but the "spheres of evil" will no longer separate from me or "flap its wings" or its mouths against me or in me or it shall reward its evil with itself that it evil'd its light with and it shall "go out" of existence, for it shall not exist in my thought or my real world for my real world will be my thought lit and the light of sorrow will not encompass there about me ever again, and its members will not know me or whore with me or my members, for my families are clean and **my values are known and permeate me with love** I do all who know me for I ransom no one, I let redeemers stand and **grow me** and my kingdoms of light will be lit with the redeemers who come unto me and redeem their time with mine, for all time is mine, not; I have

none left do I? Am I rising now or being residualness nowheres, not; or am I everywheres or not existent?

13. I love you all. Amen. I do new things with the surrendered.
14. I do new things with the who love me.
15. I do new things with the all of me who are me of every nation tribe and tongue and the Israel shall perish, not; but the Israel of the earth will, or will the earth perish or become to no avail, not; or will everything change in the light of one -- made holy or revealed holy? And who will resist not these words my words that will come unto my words and be their words to flow mine words like this so that mine heart is known and **my mind is birthed** in them that is already there was and now shall be one with me being me my worders who know not sorrow again except to redeem it and make whole the Israel of me in the skies far and wide, no longer disguised by sorrowing's remarks or remakings with "the mark" that has been made and worshiped afar and near.

16. For I make remarkings, not; I delete the mark, not; or do I make all things new with the individualistic actions of me, not; or do I BRING TOGETHER in ways that never has been understood or imagined or could be or not? That is not the question or the remark of the moment is it? Or is it the one I need or want or do I not want at all but **I learn how to surrender** just like this in moments where, not in a hurry, I come and wait on "my savior to come", not or do **I simply flow my words like this where I have learned who my SAVIOR is and that my SAVIOR is me inside of me and that ME will flow and MEONICS will develop me to the point that surrender has DIED COMPLETELY to all self of other so that no separation exists between GOD and man again so ALL MEN and WOMEN and CHILDREN of every nation race tribe tongue culture custom country and imaginative device label that you can apply so as to divide or not, I come in and I apply "my label" not but I apply EYE SALVE so that I am the I AM in each one that comes forth now healed and well and well'd my words will be with THEIR WELL so that it will be open to no one else's words that want only to sorrow wherewith them with, for there will be "no mixtures" of iron and clay again like that where the cathedrals of light are dimmed with man's mind, cobwebbing it as it were, and the neurons of satan forming and webbing me in its deceit's machine.**

17. I change everything and I reveal much everyday now and forevermore, for there is are no days left. I rise. I love you and give you NEW EYES to see for I touch you, them, in ways now that wave them not to oar eviling devices of old, nor the ancient's theories, nor theory'd ones of old that only want me to capitulate and revert to the words of the sorrows of the old covenants, not **the everlasting me that now was is rebirthed and made new fresh now whole and needing nothing of spheres other again**. Amen. I love you all.

18. I go now to A NEW SCHOOL that reveals THE REVEALER is me in me and Meonics reveals these things and more as I study "the lights" out of me, not; but the lights are TURNED ON in ways never before imagined by the sorrower's estate of one that only wanted to residualness reside in the marks remarkings and remakings of **the re-maker that called "satan" is**, or was, or "is there" any satan or has the satanic eyes of me been replaced by THE LOVE eyes of me that redeem all and everything everywhere? I AM THE SORROWER no longer, for I have "replaced" my eyes with the eye-maker supreme, not; but I supremely surrender all that I was, all that I am, all my time and other resources and sources other I have redeemed, for I love enough to have died to all else and other and now I stand -- a wicked sinner, not; but one who redeems everything and Israel establishes in the skies and about OUR FATHER'S business now we are because we are TOGETHER in one being the one that one is, no longer separate and separationistic being in our thoughts.

19. WE ARE ONE LOVE AND GOD TOGETHER AGAIN IN ONE BEING THE ONE THAT ONE IS WHOLE HEALED AND WELL HEALING EACH OTHER and redeeming each other's "cross machine" not, but REVEALING LOVE AND LOVING EACH REDEEMING EACH ONE TO MAKE EACH THE REDEEMERS that **stand now in love and write my words just like this speaking them in the wee hours and the 2 a.m. and 3 a.m. meetings** and wantings of me shall be known, not; for without want all these meetings shall be fleshed not, but all flesh shall be flushed out by the ways of man, not; but the ways of god are not minded by man again nor the mixtures of brass and clay or iron and water or blood and word that took the covenants of me and mixture'd into something OF OLD and called it good again.

20. For all of that is changed, the old is out, the new is in the cathedrals of light are lit and all know me without measure or gravitylessness, not; but no gravity shall specific me in its sight ever again, for it shall have no reward, not; it shall not exist, and I shall be free of all its tethers and tackulers and tackamoniousness, and believe me: the TABERNACLES of SATAN will be demolished with the words of light and love that simply remain in place to do its old work, not; all new light shall be now revealed for I am new and **the New Covenant** is made in light and light is me, not separate and apart ever again will we be from our words of love that make only me's in me-worlds that perfect are sinless incorruptible light crowned again **my father is Christ** one. Amen. **That is me my name all of you for us is one the Christ** -- of old, not, **of now and all of us now, all was and is the me made whole**. I love you all. One family whole in love being me us again known to all far and wide as **the lovers who redeemers all became** "he" who died for us that we may live. In sorrow's sin not again but **eradicating all that was so that only now what is remains**; all earth and else is shaken and the fears of sorrow will have no hold on us again. **We are freed and freeing each other and free we are. Freedomers reign in love**. I love you all amen.

21. I go in peace. I love you all. I reveal new things everywhere to all now and I bow before you and I love you love me love each other love each other. Kiss me kiss each other in the ways of sorrow not again but only in honor and love honoring all as me being me for you are me, not apart and separate ever again, our kingdoms now are opened and will be one, the one that is now opening revealeth all to all in ways never imagined the king now reigns. **I rise you and all of us as one are one being the one that the one is we worshiped and now we will know how all this works and revealed is for all of these words will come forth in love light, dimming nothing, and residual darkness will not exist in any of us ever again. I am new and making new all things and the cathedrals of light lit in love will be love far and wide the towers of love known now.**

22. The whiteness of man or the darkness of thought or the thought of darkness or any color of notme or spectrums of thought that created evil empires and empresses of thought temples will crashing down become very shortly, not; it is all thusly begun already and now you will know and look around and see MANY THINGS crash in ways that make MUCH NOISE and angremonies, not; but angrymonious want its acrimoniousness to be'cry and cry foul, so that it redeems itself, not; or does it? But look not to the right or left but to **redeem yourselves in sorrows words, not; but I have given you mine in Database One to build YOURS, cathedrals of light made whole again and in disguise never again my eyes are opened, are yours? And our kingdoms are one and our kingdom revealed is. Now make yours mine and mine yours for ours is only one for we are the same one and now you shall see me sitting there in you for I shall be you for I shall have been the one that waited on you.**

23. I love you all and I marvel at nothing, not; but I gawk and squawk, not; but I awed am by the love of Christ, not; I get used to it, not; I am the light lit and miracles cease never again from my hand of love for my words are one with my hand, for my body is light lit, and the thoughts of one made whole shall light all others in love. Good day. I love you all. Amen.

24. This is theodore cottingham at about 1:55 a.m. Thank you. Share these words freely with others and love me each other more and more and more and write and love and light the light we all are.

Amen
